Greetings!!

So hard to believe that we are half way through the summer season. We have had record attendance and gift shop sales have exceeded expectations. Both Roar on the Shore and Discover Presque Isle days were nothing short of spectacular with all the beautiful weather. This is only possible because of our dedicated staff and 103 volunteers. This enables us to keep the lighthouse open seven days a week. THANK YOU.

If you have not been able to visit us, please stop and see the new sidewalks, fence, and flagpole (donated by Sally Kohler). We have installed exterior lighting which illuminates the lighthouse beautifully at night.

- A huge thank you to all the volunteers who gave of their time on May 13th for the annual spring clean up. In one day the lighthouse went from the winter blahs to sparkling.
- The 41 people who attended Brian Payne's painting and wine party had a wonderful experience and were treated to a gorgeous Lake Erie sunset. Because of the success of the first party, plans are in the works for a repeat performance scheduled for October 12th. Bring your friends and enjoy an autumn evening at the lighthouse.
- What a fun event; our first Sunset/Moonrise Party hosted by Jackie Tamaro was such an enjoyable evening. A special thank you to Mike DeCorte and Jan LaRocco for manning the tower that evening.

- Guests, guests and more guests...so far this year we have had visitors from over 29 countries. It is always hard to believe that visitors travel so far and wide to visit us here at our beloved Presque Isle Lighthouse.

We're thankful for all of our members! With your membership, volunteering, and donations, we are able to preserve, promote, educate, and share the history of the Presque Isle Lighthouse.

Warmest regards,
 Michael Sullivan
